Commission Arrangement: The portrait commences on an agreed schedule with the receipt of this signed agreement about the scope of the portrait and 50% of the total fee, (non-refundable). Mid-way through and near completion, I invite the client to view the work in progress or I will send photos or email a jpeg image for client approval to complete the portrait. The balance of the fee is due upon the completion of artwork.

This agreement certifies the commission of artwork. The rights to reproduce it remain with the artist. This agreement for an original pastel executed by Vincent Mancuso is made with the understanding under U.S. law; he may be given access to the above artwork for the purposes of photographing it for his portfolio
